Product Specification Sheet

Targus 14 inch / 35.6cm Unofficial Slipcase (Red)

Part #: TSS13705EU

Product Description:

The Targus Unofficial Slipcase is designed to fit up to 14" widescreen laptops. For added cushioning, the laptop compartment features 360° air-mesh padding for ventilation and protection on all four sides of the laptop. The easy-access front pockets make it easy to store items you may need to access quickly such as a wallet, keys or airline ticket. A back slip pocket makes it easy to carry documents, files or magazines on the go. The case is equipped with a removable/adjustable shoulder strap and includes rubber feet on the bottom for added durability.

Constructed of water-resistant nylon, the Unofficial Slipcase offers a sturdy, lightweight option to carry all of your essentials.

Product Features and Specifications:

- Compatibility – Designed to protect up to 14" widescreen laptops
- Functionality – Includes 360° air-mesh padding in the laptop compartment, a back slip pocket for documents and two easy-access front pockets
